### FINAL REPORT ON TWO RIVERS DESIGN CHARRETTE

Earlier this month, the Jana Carp's planning class gave their final report on the design charrette project. We've posted their written report on our web site where you can download it at <http://tworiverscommunityschool.net/charrette>.

Here's a summary of what you'll find in the report:

- Children's design activities
- Site Information
  - Vicinity Analysis
  - Land use regulations
  - Site maps
  - Traffic Analysis
- School Design Concepts
  - Green-Built Schools
  - What is LEED?
  - School Codes & Regulations
- Charrette Participant Survey

There is quite a bit of additional materials from the charrette, including conceptual site plans and photos, which we hope to post on the site at a later time. The development committee will be drawing upon this report in our on-going efforts to develop a long-term facility plan. If you'd like to be involved in this effort, contact Lynnwood Brown at [lynnwood@tworiverscommunityschool.net](mailto:lynnwood@tworiverscommunityschool.net).

### LAST CALL FOR T-SHIRTS
